TAIF

Un'icona, sintesi perfetta di esperienze e materiali diversi, che sbalordisce per la sua ineguagliabile armonia. Una collezione di grande successo che nasce nel 1980 per illuminare la residenza del re saudita a Taif, città da cui prende il nome. Angelo Barovier ripensa l'immagine del lampadario della tradizione muranese, preservando il valore del cristallo veneziano e accogliendo nuovi linguaggi per approdare infine all'equilibrio compiuto del Classico.

An icon; the perfect synthesis of experience and selected materials wrought with stunning and unequalled harmony. Taif was created in 1980 for the home of the Saudi king in the eponymous city of Taif, whence comes the name. Angelo Barovier rethought the image of the traditional Murano chandelier, preserving the value of Venetian crystal while incorporating new languages. An amalgam, then, of tradition and creativity, of memory and innovation, from which blossoms the time-tested equilibrium of the classical.
