TORPEDO AMSTERDAM

Tre altezze notevoli, fino a due metri e mezzo, per illuminare spazi di dimensioni ragguardevoli. Riprendendo il braccio di Amsterdam, lampadario di grande successo con i rostrati in cristallo e i paralumi, garantisce un effetto scenografico senza paragoni.

Three notable heights, up to 98 ½" to light up areas of considerable dimensions. Recalling the arms of Amsterdam, a highly successful chandelier with "rostrato" crystal elements and shades, guarantees an unparalleled dramatic effect.
