TWINS

Come in un passato mai passato la materia vetro prende forma, e la luce si alterna alle ombre in un vigoroso abbraccio vorticante. Sulle orme dei successi del passato recente, un lampadario orizzontale dall'aspetto vigoroso ma raffinato. Il cristallo dei bracci, molto materico, è trasparente mentre le lampade sono racchiuse in tazze di colore bianco opaco che diffonde e ammorbidisce la luce.

In a past that is ever present, the glass takes shape and light alternates with shadows to generate a vigorous, vertiginous embrace. On the heels of the successes of the recent past, an horizontal chandelier with a vigorous yet refined appearance. The arms' crystal, which is very material, is transparent, while the light bulbs are enclosed in opaque white cups which diffuse and soften the light.
