

Barovier&Toso  
VENEZIA 1295

## VERMONT

Elemento caratterizzante di questa collezione sono le grandi sfere in cristallo veneziano soffiato. Si distribuiscono sia in verticale che in orizzontale come a formare un'eterea ma preziosa nuvola di vetro.

*The large Venetian crystal spheres are the distinctive elements of this collection. With their horizontal and vertical distribution, they generate an ethereal but at the same time precious crystal cloud.*
