WINDSOR

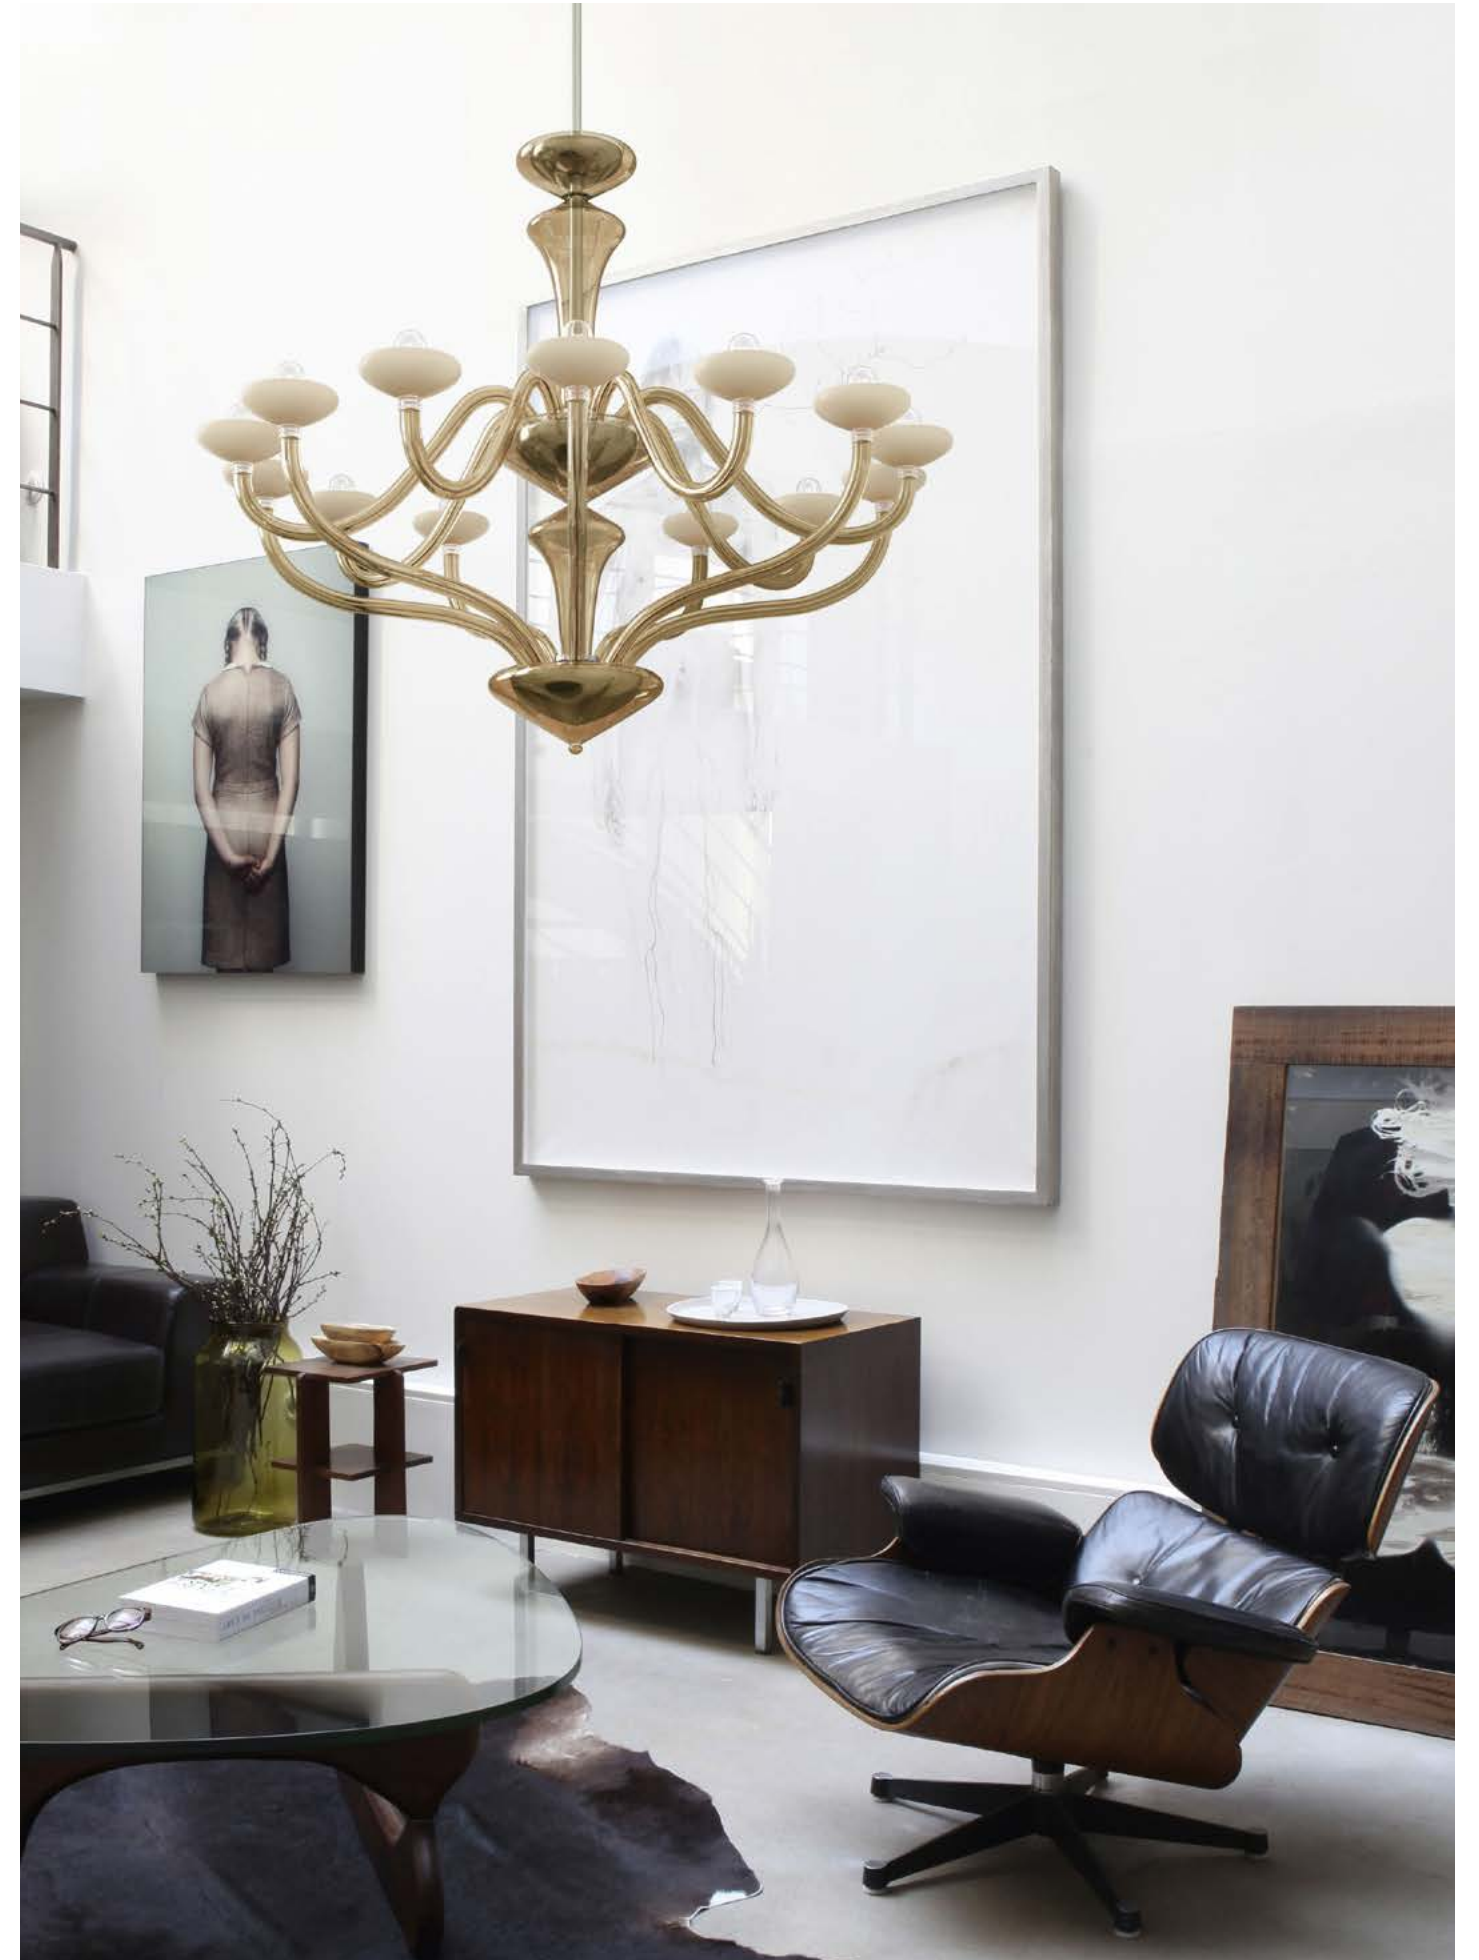

Bracci sinuosi ed eleganti, che si dipanano da un corpo centrale snello e slanciato in un gioco visivo di intrecci, e si allineano ingegnosamente su uno stesso piano, sono la peculiarità della collezione. Le tazzine portalamпада sono sempre bianco opaco con una sfumatura nella stessa tonalità dei bracci.

Sinuous, elegant arms which unfurl from a slender central body in a visual game of twists, and which are smartly aligned on a same plane: these are the distinctive features of the collection. The lamp-holder cups are always opaque white with a shade whose tonality is the same as the arms.
