VENEZIA 1295

## 4607

---

Il più classico dei lampadari veneziani, imponente nella la sua magnificenza. Fiori in pasta di vetro multicolore, una moltitudine di decorazioni e la purezza trasparente del cristallo, fanno di 4607 un lampadario destinato ai più importanti palazzi sul Canal Grande.

*The most classic Venetian chandelier, impressive in its magnificence. Flowers in multi-coloured glass paste, a multitude of decorations and the transparent purity of the crystal make 4607 a chandelier suitable to the most important palaces on the Grand Canal.*

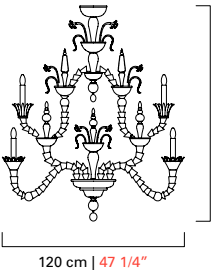

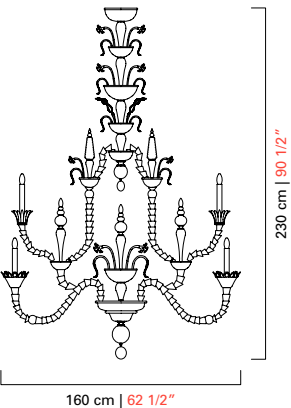

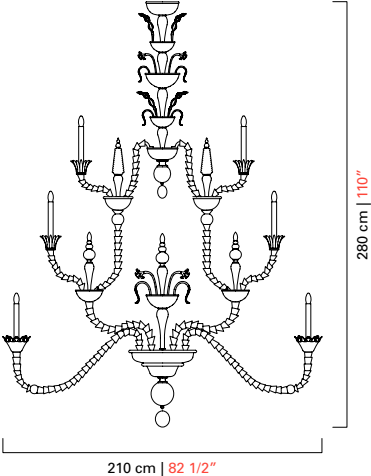

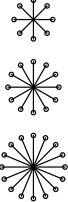

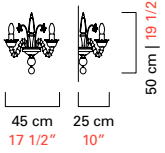

|                                                                                                                                                                         |                                                                                     |      |        |                                                                                     |            |          |                                                                                      |            |          |
