## DOMO AMSTERDAM

---

*Franco Raggi*

Elegante scomposizione del lampadario classico. I bracci del modello Amsterdam, senza gravitare attorno al centro, si dispongono in orizzontale.

L'elemento caratterizzante è il "rostrato", con le sue tipiche punte regolari.

*Elegant articulation of the classic chandelier. The arms of the Amsterdam lamp, without gravitating around the center, are arranged horizontally. The characteristic element is the "rostrato" with its typical pointed elements.*
