

Barovier&Toso

VENEZIA 1295

VENEZIA 1295

L'origine di tutto, il compendio di settecento anni di tradizioni tramandate di padre in figlio, oltre le mode e il tempo che scorre: una collezione ricca di storia, di dettagli e di emozioni. È composta da quattro lampadari ed una applique, tutti caratterizzati da un elemento ricorrente: il "rostrato", un'invenzione del secolo scorso di Ercole Barovier che prende origine dalle tecniche di lavorazione artigianali dei suoi avi.

At the very heart of it all is the culmination of seven hundred years of tradition handed down from father to son through changing times and fashions: a collection rich in history, detail and emotion. It is comprised of four chandeliers and one wall sconce all featuring a recurring motif: "rostrato", invented by Ercole Barovier almost a century ago developing techniques used by his ancestors.
