

Barovier&Toso

VENEZIA 1295

ROBIN

Interpretazione moderna dell'archetipo della lanterna. Il disegno è pulito, minimale e rigoroso ma anche immediato: dà vita ad una forma che univocamente ci rammenta la remota foggia e l'antica funzione dell'iconica lampada. Le ali metalliche formano una maglia strutturale che abbraccia il diffusore in vetro opalino che illuminato genera un effetto luminoso caldo e soffuso.

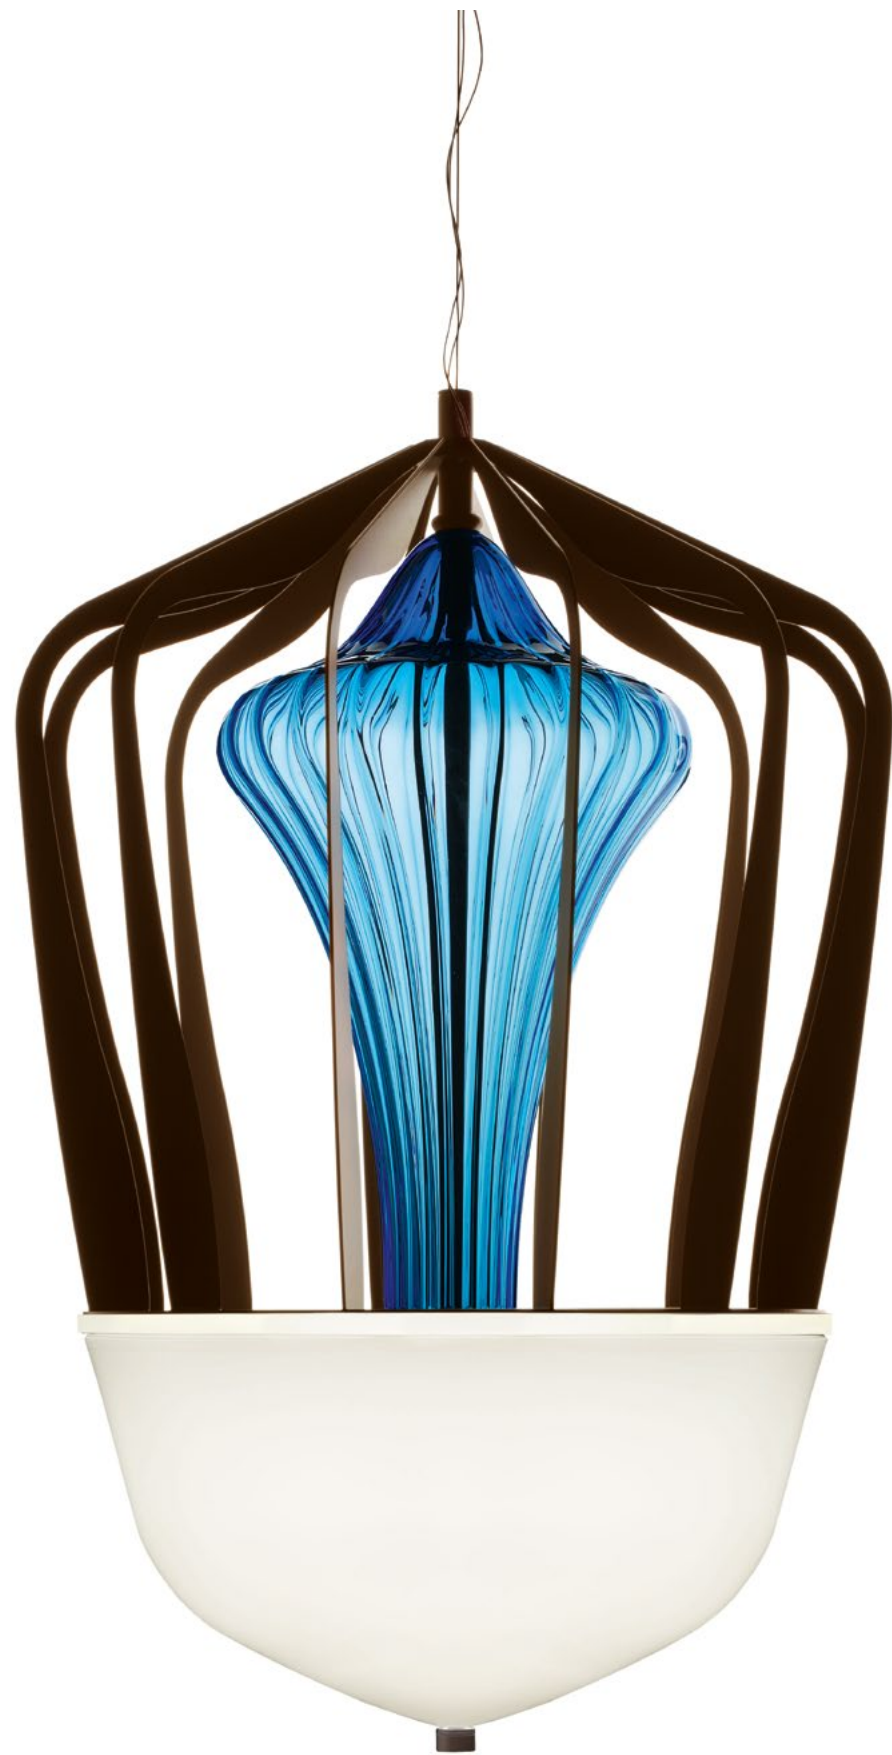

A modern interpretation of the lantern archetype. The design is clean, minimal and rigorous, but also immediate: it generates a form that instantly reminds us of the age-old shape and original function of the iconic lamp. The metal wings form a structure that embraces the diffuser in opaline glass, which spreads a warm, soft glow into the space.
