VENEZIA 1295

SWING

L'elemento base che compone Swing è un elegante cristallo veneziano lavorato "a balotòn" che dona a questa collezione una meravigliosa dinamicità e una stupefacente presenza scenica. Sostenuti da fini cavi di acciaio fissati alla sottile struttura a soffitto, questi elementi compongono figure delicatamente sinuose e ondegianti sia in forma circolare che in forma libera.

The basic feature of Swing is an elegant piece of crafted Venetian crystal with the "a balotòn" technique, that gives the collection exceptional dynamism and a striking theatrical presence. Supported by slender steel cables attached to a thin structure on the ceiling, these parts form delicately sinuous and wavering figures, in circular or free-form configurations.
