VENEZIA 1295

## CROWN

*Brian Rasmussen*

Una collezione che celebra ed esalta uno degli elementi caratterizzanti dei lampadari della tradizione veneziana, il “pastorale”: un piccolo bastone dall'estremità ritorta a spirale caratterizzato dalla lavorazione “rigà menà”. Ingrandito a dismisura, appeso al contrario e replicato in serie diventa il protagonista di queste sospensioni dal disegno minimalista e moderno. Proposto in tre diverse configurazioni (a uno, due o tre livelli).

*A collection that pays tribute to and enhances one of the characteristic features of the chandeliers of the Venetian tradition, the “pastorale”: a small rod terminating in a spiral, made with the “rigà menà” technique. Forcefully enlarged, suspended upside-down and replicated in a series, this piece becomes the protagonist of suspension lamps with a modern minimalist design. Available in three different configurations (one, two or three-tiers).*
