

Barovier&Toso

VENEZIA 1295

GERMOGLI

Domina la scena un involuppo di canne luminose, avvolte da foglie rampicanti, interamente realizzate in cristallo veneziano. Il mondo vegetale torna ad essere fonte d'ispirazione, come da eredità muranese. Risalgono agli anni '80 i disegni dello storico archivio Barovier&Toso ai quali la collezione si rifà. Sospesi ad altezze differenti, gli elementi disegnano forme concentriche o a spirale, composizioni eclettiche e sorprendenti.

At center stage, the twining of luminous reeds, wrapped in the leaves of climbing plants, entirely made in Venetian Crystal. The botanical world returns as a source of inspiration, in keeping with the Murano legacy. The drawings from the historical archives of Barovier&Toso on which the collection is based date back to the 1980s. Suspended at different heights, the parts generate concentric or spiral forms, in eclectic, surprising compositions.
