

# Barovier&Toso

VENEZIA 1295

## EXAGON

---

Come lucciole che si librano nelle profondità di una cascata di vetro, in una danza luminosa che affascina e crea atmosfera, queste foglie di loto, trasparenti e impreziosite da piccole scaglie d'oro oppure in colori tenui, fluttuano luminose.

*As fireflies unleashed from the depths of a glass cascade in a sparkling dance, creating an enchanting atmosphere, these transparent lotus leaves, embellished with tiny gold flakes or in pale colours, float in the air.*

|                                                    |                                                                                   |                                                                                   |                                                                                    |                                                                                     |
