## PALMYRA

*Fabio Calvi | Paolo Brambilla*

Una sospensione molto leggera, caratterizzata da linee sinuose, in grado di impreziosire e di illuminare qualunque ambiente. È composta da bracci sovrapposti dal profilo curvilineo, dai quali pendono molteplici elementi di vetro ritorto realizzati con la stessa lavorazione dei “pastorali” dell’antica tradizione vetraria muranese.

*Palmyra is a very light suspension, characterized by sinuous lines, able to embellish and illuminate any environment. It is composed by overlapped arms with curved profiles, from which hang twisted crystal elements, made following the “pastoral” processing of the ancient Murano glass tradition.*
