VENEZIA 1295

## PERSEUS

---

*Marcel Wanders Studio*

Audace operazione di valorizzazione della tradizione muranese, la collezione Perseus è caratterizzata da un gran numero di elementi in vetro che rappresentano quasi un compendio delle tecniche vetrarie studiate e sviluppate da Barovier&Toso nel corso della sua lunga storia, qui reinterpretate, accostate e mescolate in modo sovversivo rispetto ai canoni della classicità.

*A daring enhancement of the Murano tradition, the Perseus collection is characterized by a large number of glass elements that represent a compendium of the glassmaking techniques studied and developed by Barovier&Toso in the course of its long history, here reinterpreted, paired, and mixed in subversive way with respect to the canons of classicism.*
