VENEZIA 1295

PALMETTE

Una collezione che si distingue per la preziosità delle lavorazioni, rigorosamente realizzate artigianalmente e frutto di una ricerca stilistica che attinge alla storia per darne una interpretazione in chiave contemporanea. Ventagli in foglie di cristallo, sovrapposti a formare due, tre e quattro livelli per una rilettura intrigante dello stile déco.

A collection that stands out for precious workmanship rigorously done by hand, result of stylistic research that draws on history, granting it a contemporary interpretation. Fans of crystal leaves, placed to form two, three and four levels, for an intriguing take on Art Deco.
