VENEZIA 1295

## SWING

---

L'elemento base che compone Swing è un elegante cristallo veneziano lavorato "a balotòn" che dona a questa collezione una meravigliosa dinamicità e una stupefacente presenza scenica. Sostenuti da fini cavi di acciaio fissati alla sottile struttura a soffitto, questi elementi compongono figure delicatamente sinuose e ondeggianti sia in forma circolare che in forma libera.

*The basic feature of Swing is an elegant piece of crafted Venetian crystal with the "a balotòn" technique, that gives the collection exceptional dynamism and a striking theatrical presence. Supported by slender steel cables attached to a thin structure on the ceiling, these parts form delicately sinuous and wavering figures, in circular or free-form configurations.*
