## TOPKAPI

---

*Daniela Puppa*

Topkapi è una famiglia di lampade a soffitto che si caratterizzano per il contrasto tra il grande diffusore dalle linee moderne in vetro bianco sabbato - che diffonde una luce morbida e soffusa - e i classici finalini in cristallo trasparente o dai colori vivaci, che brillano per effetto dell'irradiazione diretta.

*Topkapi is a family of ceiling lamps characterized by the contrast between the modern lines of the diffuser in white sanded glass which sends out a soft, suffused light, and the classic end-elements in transparent or vividly coloured crystal that shine with the brightness of direct lighting.*
