VENEZIA 1295

TORVIK

Una lampada da muro dal disegno classico e tradizionale che richiama le fiaccole dell'antica Grecia. Uno stelo allungato arricchito da costolature sorregge una coppetta che nasconde la fonte luminosa. Una preziosa perla funge da elemento terminale.

A wall lamp with a classical and traditional design that recalls the torches of ancient Greece. A stretched stem, enriched by the ribbing of the surface, supports a cup that hides the light source. A precious pearl serves as final element.
